

- Vacant land

A combined selection of three freehold vacant plots of land which are being sold all together as one auction lot. The plots form part of a 0.5 acre site and are located just south of the property known as Oak Tree Rise and the High Street. The plots will have access by foot via the rights of ways shown in green at all times day of night. These rights of way then lead down to a further established right of way, which could allow vehicular access, buyers to rely on own investigations. The plots (which are not subject to any overages) maybe suitable for a variety of uses, subject to any necessary planning consents.
